Are you ready to awaken to your true potential and create your own reality? If so, you are not alone. You are part of a star fam that consists of 1.6 billion ELEVATED STARSEEDS who are here to assist humanity in its spiritual conscious evolution and are NEVER alone on a metaphysical level.

ELEVATED STARSEEDS are advanced souls who originate from other planets, star systems, or dimensions. They have incarnated on Earth to help

raise the vibration of the planet and guide people into their spiritual awakening. They have a strong connection to the Source and their higher self, and they are able to access their innate gifts and abilities.

ELEVATED STARSEEDS have had many past lives here on earth and other planets around the Universe. Meaning... they have a highly ascended human essence and higher self and with each new generation that enters earth, so to will they and their Universal Team of guides who help, guide and assist them on their life's path.

ELEVATED STARSEEDS are not new to Earth. They have been here for millennia, but they have been suppressed and oppressed by the 0.081% who have had control over the world for a long time. These are the dark forces who have kept humanity in fear, ignorance, separation, self-doubt and victim mindset.

However, things are changing now. The Earth is going through a major shift in consciousness, and ELEVATED STARSEEDS are being activated and awakened to their true purpose. They are remembering who they are and why they are here. They are reclaiming their power and sovereignty as MASTER CREATORS and MANIFESTING their own lives.

ELEVATED STARSEEDS generally forge their own paths and act as catalyst leaders by example to activate, inspire, teach and up lift others to shine their light within to be seen and heard to have the confidence to do the same. Some resonate with the words, way showers, innovators, visionaries of the future who are wise for their age and are ahead of the evolution curve.

- Connect with your higher self and your star family. You can do this through meditation, prayer, Universal Numbers, trance or any other spiritual practice that resonates with you. Set the intention before meditating and ask Arch Angel Michael to surround you and allow the most authorised divine love and light of your Universal Team of guide(s) to connect with you . They are always with you and ready to help and assist you, but you have to ask due to having free will.
- Heal your past traumas and wounds. You may have accumulated a lot of negative karma and energy from your previous lifetimes and your current one. Releasing these blocks can clear your energy field and allow you to move forwards from what has been holding you back. You can do this through therapy, energy healing, or any other healing modality that works for you.
- Activate your DNA and your chakras. You have a divine blueprint within you that contains your full potential and purpose which is slowly being open the more photonic light in the form of solar flares come in from our sun to activate this blueprint and awaken your dormant DNA strands.
- Balance and align your chakras, which are the energy centres in your body. You can do this through sound, light, or any other frequency-based tool that resonates with you.
- Raise your vibration and your consciousness to shift from a 3D perspective to a 5D perspective by moving from fear to love, from ignorance to wisdom, from separation to unity and embrace your true nature as a multidimensional being of light and love. You can do this by CHOOSING positive thoughts, emotions, and actions that align with your highest good and the highest good of all.
- Create your own reality and your own destiny and realize that you are a powerful creator and co-creator who is connected to source in heart space. You have the ability to manifest anything you desire, as long as it is in harmony with the divine plan and the universal laws. Use your intention, imagination, and emotion to shape your reality and follow your passion, joy, intuition and what lights you up to fulfil your destiny.

You are an ELEVATED STARSEED and a MASTER CREATOR. You are here to assist the Earth and humanity in their ascension process one heart at a time. You are here to shine your light and share your love. You are here to make a difference and leave a legacy.
